TRIBUTE TO RICHARD S. ELSTER

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 13, 2006

Mr. SKELTON. Mr. Speaker, it has come to my attention that a distinguished career at the Naval Postgraduate School will soon come to an end. Mr. Richard Elster has announced his official retirement after 37 years of service.

After receiving his bachelor's degree from the University of Minnesota in 1962, Richard pursued his M.S. in Industrial Relations, and his PhD in Industrial Psychology. By 1967, Richard had finished with school and become a project scientist at Litton Industries.

Dr. Elster became associated with the Naval Postgraduate School in 1969 when he joined the faculty as an assistant professor. During his tenure, he served as an associate professor, professor, Chairman of the Department of Administrative Sciences, Dean of Instruction, and the Provost and Academic Dean.

Throughout his career at Naval Postgraduate School, Dr. Elster served in several high ranking Pentagon positions. Starting in 1975, he served as special advisor to the Secretary of Defense for manpower and reserve affairs. Dr. Elster also held positions as the Deputy Assistant Secretary of the Navy for Manpower, Acting Assistant Secretary of the Navy for Manpower and Reserve Affairs, and Deputy Assistant Secretary of Defense for Resource Management and Support.

Dr. Elster was recognized for meritorious civilian service as Provost and Academic Dean at the Naval Postgraduate School, from July 1995 to December 2005. Because of his leadership, the Naval Postgraduate School attained unprecedented stature in the defense establishment and the academic community. It was recognized in 2005 with the highest score for military value of all Department of Defense education commands by the Education and Training Joint Cross Service Group.

The Naval Postgraduate School is respected as a world class research university due in part to Dr. Elster's leadership, strategic vision, and devotion to public service. Much of the academic work of the school's students and faculty responds directly to real world defense mission needs.

As Dr. Richard S. Elster prepares for retirement, I know the Members of the House will join me in expressing appreciation for his dedication to the Naval Postgraduate School and will wish him well in all the days ahead.

CITY OF HICKORY CREEK RANKED IN TOP TEN

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 13, 2006

Mr. BURGESS. Mr. Speaker, I rise today to recognize a community within my district for being acknowledged as one of the "Top Ten Best Places to Live in the Dallas-Fort Worth Metroplex" by D Magazine, a regional monthly publication. This top honor went to the town of Hickory Creek for its excellent schools, affordable housing, low crime rates, and its small town ambience.

Every 2 years, the magazine ranks some fifty plus suburbs of the Dallas-Fort Worth region, the State of Texas' largest metropolitan area. The town of Hickory Creek received the number nine spot on the list and is also recognized as a place for "quiet, hassle-free, safe living." Also worth mentioning, the town of Hickory Creek was acknowledged as having the "best value for quality of life." For this, it received the honor of the first spot on list of "Best Deals" in the Dallas-Fort Worth Metroplex as rated by D Magazine.

With a population of 2,400 and an annual growth rate of 1.5 percent, the town of Hickory Creek is the smallest suburb to make the Top Ten. In 1996, the town's annual sales tax revenue was \$30,000. Today, that number is closer to \$1 million.

Mr. Speaker, I applaud Mayor John Smith and the City Council of Hickory Creek for building the town of Hickory Creek into a distinguished community. I am proud to represent such a vibrant place to live.
